BEACH RESORT

Your tropical escape is on the horizon.
Opening early 2019

Nestled on 24 acres of Knights Key, more than 60% of its land area, the impressive luxury Isla Bella Beach Resort is perched overlooking the Atlantic Ocean and the entrance to the world famous Seven Mile Bridge. Its location in Marathon, FL, is stunning and strategic—midway from the upper Keys to Key West, with nearly one mile of shoreline, the resort offers easy watersports access to both the Atlantic Ocean and the Gulf of Mexico.

Guests will be greeted by an inspiring sense of arrival as they pass through our entrance and proceed to the Guest Reception by way of a serpentine drive through our tropical gardens.

The only luxury resort in the Florida Keys to offer Atlantic Ocean views from each and every one of our spacious rooms and suites, guests will also have outdoor living areas, perfect for viewing the stunning sunrises and magical sunsets that the Keys are famous for.

Whether it be for a wedding, important corporate meeting or event, family vacation or a romantic getaway, today's affluent traveler will be in their element upon arrival. Isla Bella is sure to become their new standard of resort luxury.
